FR. JIM'S JOURNAL

As I am writing this article today, I learned from Wayne County that they are pouring the cement on Seven Mile Road in front of the church today. It seems that the construction has been going on for so long! Hopefully by the time you read this we will again have easy access to the church property. I want to thank all of you for your patience during this time. Mass attendance is down slightly, but most of you are hanging in with me. Thank you so much for your loyalty!

As we have the construction on Seven Mile Road, we are also having some construction on the inside of the church. We now have some new walls and doors so that we can lock off the church from the rest of the building, making our church more secure. We have also enlarged the Reconciliation Room so that it will be a little more comfortable and welcoming. Within the next couple of weeks we will be having the church painted. This will require that we remove everything from the walls. The Worship Commission is working on a plan for moving around some of the artwork. When everything is re-hung, we want to make sure everything ends up where it is going to stay. I am confident of your continued patience as we complete out internal construction.

The Stewardship Commission has been working toward getting a new church sign to replace the old one that was located on Seven Mile Road along the driveway. We are currently working on the design. We want a permanent looking sign with changeable lettering that is lit, with some brick or stonework. We want to make sure that the location of the church buildings is more accessible and welcoming to the community

We have completed our Financial Report for the fiscal year. The Total Operating Income for the year in the budget was \$476,290. The actual income for the year was \$561,460. Our income exceeded what we needed to meet the budget. Our Total Operating Expenditures in the budget was \$452,240. Our actual expenses were \$439,950. Our actual expenses were less than what was projected in the budget. The financial state of St. Priscilla Parish is sound. Thank you for being such good stewards!

I am continuing to enjoy these beautiful days of summer. I give

**RELIGIOUS EDUCATION
Parents,**

The deadline for registering your children for Religious Education Classes is fast approaching, September 8th! Please get your registration forms in as soon as possible so we can be sure to have enough books, materials and catechists ready for your children on the first day of class.

Classes are filled on a first come first served basis. The 8th Grade Wed. at 7:00 PM class is already filled.

Did you know that we have a Preschool/Kindergarten class on Sundays mornings during the 11:00 Mass!

We are looking for caring adults and high school students who like children and are willing to share their faith with them. Catechists are needed for most grade levels and each class time, Sunday mornings, Wednesday afternoon and evening and Thursday afternoon and evening.

We have books that guide you in how and what to teach the students. We have experienced catechists that will help you with classroom management and creative ideas.

If you aren't sure about being a catechist, how about an aide or leading Children's Liturgy of the Word on Sundays? Contact Joni Benson for more information and to volunteer. 248-476-4702.

RCIA

*August Inquiry
Session
7:00 PM*

Tuesday, Aug. 29

It's not too late to find out about how to become a Catholic. The first step is to call Joni Benson, the Director of Faith Formation. She will have an interview with you and tell you about the RCIA process. You will be able to ask questions to see if this is what you have been looking for. If you have questions about the RCIA process or would like to schedule an appointment please call Joni Benson at 248-476-4702.

Pilgrim's Way Bible Study

The Bible is the most important book ever written. It is probably the least read and the most misinterpreted. If you are interested in learning more about Sacred Scripture and desire to incorporate scripture as well as the gifts and Charisms of the Holy Spirit into your personal spiritual life, then Pilgrims Way is the bible study program for you.

St. Genevieve Parish will begin this life changing program on Thursday, October 19, 2006. The program will be open to adults and teens and runs on every other Thursday with individual sessions for adults 18 years old and over and teen, 14-17 years old. The teen program will be held in a room separate from the adults.

Registration forms will be available in mid-September. If you have any questions please contact Mrs. Kim Parnis at 734-524-4003.

Sure to be one of the most
inspirational stories you
will ever hear.**

Josyp Terelya tortured for 23 years in Soviet prisons for refusing to reject Catholicism, released from prison at the urging of President Reagan and John Paul II. He visited John Paul II 36 times, a Deacon and author of *Witness* a detailed account of his sufferings, visions and apparitions of the blessed Virgin.

"The major apparitions halted at Hrushiv after about three weeks....I left Hrushiv to carry on the mission of converting my fellow Ukrainians. I visited as many villages as I could and preached for an entire month. In that single month, 34 Russian Orthodox Churches were converted to Catholicism... Entire villages accepted the apostolic church....the KGB would try to follow us but we were able to keep out of their view in a way that was nearly miraculous."

Saturday, September 9th at Lansing Community College, West Campus, 5708 Cornerstone, Lansing.
Sunday, September 10th, 1:PM, Birmingham Community House 380 S. Bates. For more information call Bunny 248-398-6880.

**A Family Perspective
by Bud Ozar**

In today's Gospel, the disciples had second thoughts about Jesus. Disillusionment is normal in a relationship. Commitment to another guides us beyond disillusionment to a deeper, more real and satisfying relationship. Commitment, not feelings, makes the difference.

thanks and praise to God for the fabulous summer weather he has provided for us this season. God is good!

SPECIAL THANKS

A special note of thanks goes out to the good Samaritans who assisted one of our parishioners when they unfortunately did not make the drive way turn with all the construction. The car was teetering half on and half off the road. One young woman offered the use of her cell phone and a young couple with a pick-up truck literally pulled them to safety.

God bless you for your kindness.

PRAYER

GENEROUS GOD, OPEN MY MIND TO UNDERSTAND THE WORDS OF ETERNAL LIFE THAT COME FROM CHRIST.

OPEN MY HEART TO RECEIVE THE GIFT OF FAITH WITH LOVE AND HUMILITY.

MAY THE SACRAMENT OF CHRIST'S BODY AND BLOOD TRANSFORM ME TO BECOME A MORE FAITHFUL WITNESS TO THE GOSPEL.

IN THE POWER OF THIS SACRAMENT, MAY YOUR GOODNESS PREVAIL TO THE ENDS OF THE EARTH, THROUGH CHRIST OUR LORD.

AMEN.

Pope Benedict XVI, "Don't Work too Hard"

Working too hard, even for those leading the Catholic church, is bad for the spirit, Pope Benedict XVI said Sunday as he greeted tourists at his summer residence in Rome.

During his traditional weekly appearance to bless the faithful, Benedict quoted from writings of St. Bernard in the 12th century meant for the popes of his time on the subject of overwork.

Benedict quoted the saint as advising pontiffs to "watch out for the dangers of an excessive activity, whatever...the job that you hold, because many jobs often lead to the 'hardening of the heart', as well as 'suffering of the spirit, loss of intelligence.'"

"That warning is valid for every kind of work, even those involved in the governing of the church," 79 year-old Benedict said. Having had a vacation in the Italian Alps in July, Benedict is spending what remains of August and much of September, in the papal palace in Castle Gandolfo, a lakeside town in the Alban Hills southeast of Rome.

The pontiff will interrupt his holidays to make a day trip on Sept. 1 to a religious sanctuary and fly to his homeland, Germany, for a pilgrimage Sept. 9-14.

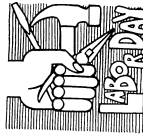

So **EVERYONE** is entitled to a little R & R. **ENJOY!!**

WHAT WILL YOUR CHOICE BE?

A 92-year-old, petite, well-poised and proud man, who is fully dressed each morning by 8:00 AM, with his hair fashionably coifed and shaved perfectly, even though he is legally blind, moved to a nursing home today. His wife of 70 years recently passed away, making the move necessary. After many hours of waiting patiently in the lobby of the nursing home, he smiled sweetly when told his room was ready.

As he maneuvered his walker to the elevator, I provided a visual description of his tiny room, including the eyelet sheets that had been hung on his window.

"I love it," he stated with the enthusiasm of an eight-year-old having just been presented with a new puppy.

"Mr. Jones, you haven't seen the room; just wait."

"That doesn't have anything to do with it," he replied.

"Happiness is something you decide on ahead of time. Whether I like my room or not doesn't depend on how the furniture is arranged...it's how I arrange my mind. I already decided to love it. It's a decision I make every morning when I wake up. I HAVE A CHOICE, I can spend the day in bed, recounting the difficulties I have with the parts of my body that no longer work, or get out of bed and be thankful for the parts that do work".

"Each day is a gift, and as long as my mind still works, my eyes will still see, and I'll focus on the new day and all the happy memories I've stored away".

Old age is like a bank account. You withdraw from what you've put in! So, my advice to you is to deposit a lot of happiness into your bank account of memories. I would like to thank you for your part in filling my memory bank. And, I'd like you to know that I'm still making deposits.

Saint of the Day

Anselm of Canterbury. St. Anselm of Canterbury (1033-1109), Doctor of the Church, often articulated the lifelong quest of the believer to seek understanding of the faith. The Church celebrates his memorial on April 21.

Christopher Leadership Course

The Christopher Leadership course teaches the importance of one person in making this a better world. It helps participants to understand and practice the skills, habits and attitudes they need to exert leadership on a practical, day-to-day basis.

The eight-session course will be offered from 7-10pm at the following parishes: St. Gertrude, St. Clair Shore, starting Sept 25th; St. Patrick, White Lake, starting Sept. 26th; St. Dennis, Royal Oak, starting Sept. 27th; St. Andrew, Rochester, starting Sept. 28th; and St. Clement, Dearborn, starting Sept. 29th.

The normal fee for the course is \$150. However, there is a \$25 discount for early registration. For additional information or to register, call 888-298-4050 or visit the web at www.christophers.org.

TRY IT ON!

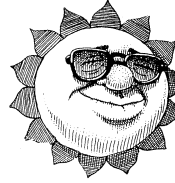

What a confused lot the disciples were! On the one hand, it was hard for them to hear Jesus' teaching. On the other, they were drawn all the more to Jesus. The call to religious life is like this too. If you wrestle with the notion of priesthood or religious life, take comfort in knowing the disciples did too. For more information, call the vocation's office at 313-237-5875 or visit the web at www.vocationsdetroit.org.

Sun Safety

Did you know?

- A. 1 in 5 Americans will develop skin cancer in the course of a lifetime.
 - B. Skin cancer is the most common of all cancers.
 - C. More than 90% of skin cancers are caused by sun exposure.
 - D. Protect yourself and your family all year round.
 - ◆ Seek the shade, especially between 10am-4pm
 - ◆ Do not burn.
 - ◆ Avoid tanning and UV tanning booths.
 - ◆ Use a sunscreen with an SPF of 15 or higher every day.
 - Apply 1 ounce (2 tablespoons) of sunscreen to ALL EXPOSED AREAS 30 minutes before going outside. Reapply every two hours or after swimming or excessive sweating.
1. Cover up with clothing, including a broad-brimmed hat and UV-blocking sunglasses.
 2. Keep newborns out of the sun.
 3. See your doctor every year for a professional skin exam
 4. Examine your own skin head-to-toe every month.

The ABCDE's of Moles and Melanoma

What To Look For:

Moles, brown spots and growths are usually harmless—usually but not always. Anyone who has more than 100 moles is at greater risk for melanoma (the most dangerous form of skin cancer). The first signs can appear in one or more moles. That's why it's so important to get to know your skin very well. Examine the skin all over your body once a month and have a physician check you over once a year. Look for:

- A. **Asymmetry**—If you draw a line through a mole, the two halves will not match, meaning it is asymmetrical, a warning sign for melanoma.
- B. **Border**—The borders of an early melanoma tend to be uneven. The edges may be scalloped or notched.
- C. **Color**—Having a variety of colors is another warning signal. A number of different shades of brown, tan or black could appear. A melanoma may also become red, white or blue.
- D. **Diameter**—Melanomas usually are larger in diameter than the size of the eraser on your pencil (1/4 inch), but they may sometimes be smaller when first detected.
- E. **Evolving**—When a mole is evolving, see a doctor. Any change—in size, shape, color, elevation, or any new symptom such as bleeding, itching or crusting, points to danger.

If you see any of these warning signs,

SEE A PHYSICIAN PROMPTLY!
