Covecrest Life Teen Summer Camp

High school teens are invited to attend a national Life Teen camp this summer. That's right, summer camp already. Due to the tremendous popularity and growth of the Life Teen camps over the last couple of years, we are expecting the dates to fill up very fast and therefore need to get our registration taken care of as soon as possible.

At Covecrest the days will be filled with a variety of adventures on ropes courses, Frisbee golf, volleyball, basketball, extreme games, or just hanging with your old and new friends. At night all are invited to participate in an evening program of praise and worship, talks, skits and activities. Come and join us for the week of a lifetime!
